

Handwritten Arabic text in two columns on aged parchment. The text is dense and includes several red-inked headings and sub-headings. The right page features a prominent heading in red ink: **وَيَسْتَبِينَ نَبِيَةَ النَّعْتِ وَلَا يَجُودُ الْعَوَانُ فَخَلَا فِي الْأَقْبَابِ**. Below this, there are several paragraphs of text, some starting with **أُولَئِكَ** and **أَشْهَرُ**. The left page contains similar text, with a heading in red ink: **وَأُولَئِكَ وَذَلِكَ بَعْدَ وَصْفِهِ وَمَجْمُوعٌ كَالْقُرْآنِ وَيَتَّبِعُ**. The text continues with various religious and legal discussions. The parchment shows signs of age, including some staining and wear at the edges.
