

Handwritten text in Persian script, likely a medical or scientific treatise, covering both pages of the manuscript. The text is densely packed and written in a cursive style. On the left page, there is a large, faint watermark that reads "King Fahd University of Petroleum & Minerals". A small, oval-shaped stamp or seal is visible on the left page, containing some illegible text. The right page continues the text, with some lines appearing to be part of a list or a series of instructions. The paper shows signs of age, including yellowing and some staining.
