

Handwritten Arabic text in a narrow column on the left page of an open manuscript. The script is dense and appears to be from an older period.

The author frequently refers to Sheik-at-Paees-Avissena who flourished between 980 & 1036 A.D. 4th Century AH. The mode & style of writing is certainly of 4th Century A.H. -
At the most possible that

A Manuscript on Astrology: On the face of it, the style, the paper and the mode of writing is very old, just similar to that available in Fig. 235 ATLAS OF ARABIC CALLIGRAPHY by HAJI Zaimuddin.
