

Handwritten marginal notes at the top right of the page, including the name 'ابن سينا' and other illegible script.

Main text on the right page, discussing medical concepts such as 'الخلافة' (inheritance) and 'العصبية' (nervous system). The text is written in dense Arabic script.

Handwritten marginal notes at the bottom right of the page.

Main text on the left page, continuing the discussion of medical concepts. It includes terms like 'الخلافة' and 'العصبية' and discusses their relationship to the body's organs.

Handwritten marginal notes at the bottom left of the page.
